The college will not use your social security number as your student identification number. You will be assigned an 'L' number (user ID). If you plan on applying for financial aid, and/or plan on using the 1098T tax form for tax purposes, we will need your correct social security number in our system.

Social Security Number: _____

Providing your social security number is voluntary. If you provide it, the college will use your social security number for keeping records, doing research, reporting, extending credit, and collecting debts. The college will not use your number to make any decision directly affecting you or any other person. Your social security number will not be given to the general public. If you choose not to provide your social security number, you will not be denied any rights as a student. Please refer to the disclosure statement in the class schedule or annual catalog which describes how your number will be used. Providing your social security number means that you consent to the use of your number in the manner described.
